

TYNGSBOROUGH SCHOLARSHIP TRUST

P.O. Box 547, Tyngsborough, MA 01879

February 2013

Dear Graduating High School Senior,

Congratulations on your upcoming graduation! You may be eligible for a scholarship to continue your education in the 2013/2014 scholastic year. The Tyngsborough Scholarship Trust ("TST") is a non-profit, volunteer organization that raises funds and appropriates scholarships for higher education. TST is the outgrowth of a fund established in 1963 in memory of Richard O. Starkey, a former principal of the Lakeview School.

Any resident of Tyngsborough who is graduating from high school in 2013, plans to attend a post-secondary institution and fully participates in our April Door to Door Drive and interview is welcome to apply. Last year TST distributed over \$45,000 in scholarship awards. It has been a TST goal to distribute funds to as many qualifying applicants as possible so it is well worth the effort to apply. **Completed applications MUST BE RETURNED to the Tyngsborough High School Guidance Office by 2:00 p.m. by FRIDAY MARCH 15th or postmarked by 3/15 to: The TST Application Committee, P.O. Box 547, Tyngsborough, MA.** All dates are final and in fairness to all, no late applications will be accepted.

This packet contains a two page application and an instruction sheet with directions for completing the application, an overview of the April Door to Door Drive activities and a summary of the important dates.

Please do not hesitate to inquire at the Tyngsborough High School Guidance Office at 649-6316, or to Karen Hamilton at 649-2175. It is our goal to recognize and help as many graduating seniors as possible.

Sincerely,

M. Karen Hamilton
President, Tyngsborough Scholarship Trust

Door to Door Drive Overview (Participation in the Door to Door Drive is required for a scholarship award)

1. TST has established routes covering Tyngsborough. Each route has a history of typical \$ earnings.
2. Each student is assigned a route and given the target \$ goal for the route which is the minimum dollar amount that is anticipated to be collected from the route. It is the hope of the TST Committee that students will be able to exceed the target \$ goal for their assigned route.
3. Routes are assigned in the order that applications are received and, when possible students are assigned the route on which they live.
4. Students should wear the Door to Door Drive button provided when canvassing your assigned route. TST publicly announces the Door to Door Drive, so therefore residents expect to have students knocking on their doors for donations.
5. Packets include instructions, route sheets with addresses to be canvassed and areas to record your activity and results, receipts, flyers, envelopes and the Drive button. Unused materials are expected to be returned with the final \$ turn in.
6. Routes take about 6 hours to cover if contact is made at all homes.
7. Students are expected to make contact with each home on the route. Leaving a flyer and envelope is a last resort.
8. Students are assigned a TST Committee member as a point of contact and a resource for advice.
9. There are two turn in dates for collected funds which are listed below.
10. No interviews are granted without return of funds and materials by the final date. Interviews are required to receive an award.
